SDNP/20/01018/FUL	Moris Farm Hurst Lane Owslebury Winchester Hampshire SO21 1JQ	Erection of an equestrian barn and construction of manege (part retrospective) (resubmission)	09/04/20	<p>Owslebury Parish Council (OPC) is concerned that the site requested is near a busy road junction. Owslebury has approximately 175 cars per hour speeding through morning and evening (M3 and Winchester rat run). Also several large articulated vehicles turn here daily towards/ into the Grain Store and Marwell Zoo. The Council believe that there is a Health and Safety issue regarding the horses being sited so close to the busy road. Surely the nearness of this traffic is not conducive to horse training?</p> <p>The Parish Council fully supports stabling and equestrian use of land as there are in fact in excess of 14 such establishments within the parish</p> <p>Nevertheless the Parish Council does have concerns as to the current application, made just 3 years after the original permission. Therefore this Council cannot support this application and strongly objects to the siting of the stables and arena 50 metres from the houses in Hurst Lane.</p> <p>The Parish Council fully supports concerns voiced by the local</p>	Approved
