Parish and Town Council Event

Following the postponement of the December date, the Economy, Transport and Environment Department are holding a Parish and Town Council Event on 17 March 2022. The event is intended to provide an opportunity to update Parish and Town Council colleagues on the latest economic recovery position as well as the usual update and discussion session on Hampshire Highways and related service issues. The event will be held in Ashburton Hall at The Castle, Winchester from 6.10pm until 8pm, with tea and coffee from 5.30pm and we hope that you will be able to join us.

To best manage our available meeting space we would appreciate if representation could be kept to two attendees from each Parish or Town Council and, with the feedback we have received, we are also seeking to make this a hybrid event by broadcasting online for those of you unable to join us in person – details of this to follow.

Please RSVP to hcc.parishevent@hants.gov.uk as soon as possible expressing whether attendance will be in person or online; including names of who will be attending.

Storm Eunice puts Hampshire Highways to the test

We saw some very challenging conditions when Storm Eunice hit Hampshire over the weekend of Friday 18 February until Monday 21 February. Hampshire County Council's Highways Service worked non-stop. Crews responded to reports of fallen trees and debris on the county's road network.

Working conditions were difficult in the full force of the storm and frontline staff worked really hard to keep the road network running. Enquiries / reports reached in excess of 2,200, with approx. 1,200 being tree related, four times more than we would usually expect for any other weather-related event.

HRH The Prince of Wales confirms his rescheduled visit to Winchester in Platinum Jubilee Year

Preparations are underway by Hampshire County Council to welcome to Winchester, His Royal Highness, The Prince of Wales on Thursday 3 March, following an

announcement of the rescheduled Royal visit to the city, to see the statue of 'Licoricia of Winchester', a medieval Jewish businesswoman – and to officially open The Arc, Winchester's new cultural centre

MEETING REPORT: Telephone Box

WRITTEN BY: Clerk

AGENDA ITEMS: 176

I was contacted by a resident on 26 February to notify me that the Telephone Box Door had been broken by storm Eunice.

The resident has cleared the box of books as they were all rain damaged, they have closed the door and wedged it with a book, so it hopefully won't come open. They have swept up as much broken glass as possible.

It seems that a gust has likely forced the door open. It has ripped the belt retainer at the bottom, pulling the screws right out of the wood. Once that had happened the wind would have been free to slam the door wide open which we think is what will have done the most damage. The resident did ask the occupants of the house nearest if they saw it happen, but they didn't, though they confirmed it was storm damage.

I have contacted our insurance company to see if the Parish Council can claim for a new door on the insurance policy. The Insurance company have responded and have advised that there is a £250 excess to be paid if the Council decide to claim and the insurance company will pay the difference. The insurance company need the Council to provide them with an estimate for the replacement door, including installation and delivery.

I have done some research on how much a new door would cost:

X2 Connect:

<https://www.x2connect.com/Shop/k6>

I have spoken to the company, and they have the righthand door and the installation kit all in stock. The cost are as follows:

Basket Contents

Product Description	Quantity		Item Price	
K6 DOOR COMPLETE - PAINTED - RH	<input type="text" value="1"/>		£968.00	
K6 DOOR INSTALLATION KIT	<input type="text" value="1"/>		£167.00	
Shipping *			£105.00	
Total - excluding VAT			£1,240.00	
VAT			£248.00	
Total Price			£1,488.00	

Remember When UK

<https://www.redtelephonebox.com/items/k6-red-telephone-box-hardwood-door-frame/>

I spoke to the owner, and they can provide a righthand hardwood door with no windows, which will not be painted, nor does it include any installation kit or delivery. They would not deliver this product.

Cost £320

They had a reclaimed righthand door, which would need to be repainted and installed and they could deliver.

Estimated £1,200

AGENDA ITEM: 177 (a), 180 (b), 181 (b) & 181 (c)

Beech Grove Pathway Improvement

I have applied for £9,000 worth of funding from SDNP from their CIL Grant. I will find out in the next 12 weeks if we have been successful. If we are not successful in this round of funding, we will automatically be entered into the next round of funding for 2022/23. If we are not successful, this year there is more of a chance that we would receive the funding next year.

I have looked at other funding, but the project does not fit into any of the categories.

Quotes for Crown Lift for Tree in Glebe Field

Contractor 1: £170.00

Contractor 2: £250.00

Annual Parish Assembly

I have allocated Monday 9 May to hold the Annual Parish Assembly. Would the Council like to invite a speaker for the meeting? If so, who? Do any of the Councillors have any ideas. Would the Council like to hold the Annual Parish Meeting afterwards?

Upcoming Elections

The Election are scheduled for the 5 May 2022. The Publication of Notice of Election will be published on Monday 21 March and all nominations need to be submitted by 4pm Tuesday 5 April.

There are 3 nomination papers that need to be completed. All forms must be printed in full including all the notes at the end of the form. You can choose not to have your address public, but you need to fill in Part 2 of the Home Address Form. The proposers and seconder on the Nominated Paper must be on the Owslebury electoral register, if they do not know their electoral number, please contact me. The witness on the on the Candidates consent to nomination form can be your spouse.

Winchester City Council have asked that all nomination papers are hand delivered to WCC and an appointment needs to be made to hand them in, as they will need to be checked that they are filled in correctly.

If you need help in filling in the forms, please contact me. I suggest that if you are considering running for Council again that all nomination papers are given to me, and I make 1 appointment to hand all the papers in.

MEETING REPORT: Affordable Housing

WRITTEN BY: Clerk

AGENDA ITEM: 179

I received an email from Hampshire Homes hub on 1 March informing the Parish Council that they have been awarded funding from the South Downs National Park to cover the remaining costs of the Owslebury Housing Need Survey.

They will now put together a draft survey for discussion with the Parish Council and will be in touch again soon.

I have received the following email from Hampshire hub on 10 March:

Please find attached a draft Housing Need Survey questionnaire for Owslebury, alongside a draft covering letter for the Parish Council to review.

It would be great to meet with the Parish Council or representatives of the Parish Council to discuss this further, agree the questions and format and also the timing and promotion of the survey. Please advise if you would like us to attend a future Parish Council meeting or would prefer to arrange a meeting with a smaller group of Parish Councillors.

The survey will be posted out to all households and will also be available to complete online.

The survey is for completion by those in housing need and it will be important to promote the survey in advance of it being sent out, for example through the PC website, notice boards and parish magazine (if applicable) and we can discuss these details in the meeting.

We will also share this draft information with Winchester City Council and the South Downs National Park Authority.

I look forward to hearing from you

Many thanks

I would suggest that the Parish Council arrange to meet with Hampshire Hub to discuss the survey.

I sent the Housing Survey to you separately for you to view.

MEETING REPORT: Pavilion Committee

WRITTEN BY: Clerk

AGENDA ITEM: 180 (a)

The Committee met on 2 March. The committee had organised for an architect to visit the site and asked them to come up with a design and site plan. The committee gave the architect a detailed summary of what the community would like in the new pavilion and the field. They asked them to cost the demolition of the current pavilion and if the current sewage system could be used.

The group hope to have initial designs in the next couple of weeks.

The Committee had applied for funding from SDNP CIL funding. The application closed on 28 February and the committee will find out if they have been successful in the next 12 weeks. If not successful in this round, the application will automatically be entered into the next round, where the application should be successful. The committee have put in for £150,000 grant.

The committee will also be applying for the National Lottery 'Grants for All' funding, the deadline for this is 31 March.

The committee will wait for the design to be drawn up before deciding on the next steps.

The Clerk will send out an advert asking for volunteers to help with the build of the pavilion and remodelling of the sports field. The Clerk will keep a record of the volunteers and how they can help.

The next meeting will on Wednesday 27 April 2022.

MEETING REPORT: Boundary Commission for England Consultation Review

DATE: 16 March

WRITTEN BY: Clerk

AGENDA ITEM: 181 (g)

Review of Parliamentary Constituencies 2023 - Boundary Commission for England Consultation

Dear Member Councils,

In June last year NALC shared details of the Boundary Commission for England's (BCE) 2023 Review of Parliamentary Constituencies. This included a consultation to get feedback on proposed new boundary lines and constituency names.

BCE is now running a secondary consultation on their initial proposals, which can be found: <https://boundarycommissionforengland.independent.gov.uk/2023-review/>

To help promote this secondary consultation, BCE has produced a partner pack, available on the following website:

https://boundarycommissionforengland.independent.gov.uk/wp-content/uploads/2022/02/2022-02-15-Partner-pack_Secondary-consultation_Boundary-Commission-for-England.pdf, containing a range of materials that can be used in various communication channels e.g. websites, bulletins, social media channels should you wish to use them

The consultation will run from 22 February to 4 April. To submit comments, please visit: <https://www.bcereviews.org.uk/>

MEETING REPORT: Local Plan – Housing Growth

DATE: 16 March

WRITTEN BY: Clerk

AGENDA ITEM: 181 (h)

Dear all,

As you may know the council is developing its new Local Plan and is intending to consult on a draft plan (Regulation 18) in August/September this year.

A key part of this work is accommodating the housing growth we need to plan for up until 2039 and how these new homes are distributed across the district outside the South Downs National Park.

Officers from the Strategic Planning Team have now presented the outcome from the Strategic Issues & Priorities consultation, which took place between February and April last year, to a number of Local Plan Advisory Group meetings that took place in September, November and December 2021.

In December 2021 Cabinet also agreed an updated Strategic Housing and Employment Land Availability Assessment which includes a high level analysis of the sites that landowners/developers have put forward for development.

I wanted to let you know that we are starting to hold meetings with a number of parish councils that we will be asking to plan for a specific housing target in line with development strategy for the new plan, which is intended to focus development on the most sustainable settlements in our district outside the National Park. We are providing them with an indicative range of housing figure as, at this point, the number has not yet been finalised because there are some factors which will still change, which will affect the total.

In the case of your Parish Council we are not going to ask you to plan for a specific housing target. This does not mean that no growth can take place in the parish but it is anticipated that the amount of new housing envisaged in the emerging local plan is likely to be relatively small in scale and limited to certain types of development such as infilling, or redevelopment of existing sites. This is based upon our current understanding of the situation, and the emerging development strategy. Should this position change then we will of course let you know.

If you would like to discuss this matter further please get in contact with us.

Regards

Strategic Planning Team
